MEMORANDUM FOR: Director of Training

SUBJECT : Office of Security Students in
Counterintelligence Operations Course No. 52

25X1A 1. Counterintelligence Operations Course No. 52 was presented from [REDACTED] with considerably fewer than the prescribed number of students. The Office of Security officers listed below constituted almost fifty per cent of the class. They were without exception knowledgeable and intellectually inquisitive individuals who participated constructively in class discussions, which is the essence of the course. All of them completed the course with a more than satisfactory performance and it was a pleasure to have men of their caliber in the class.

25X1A 2. It is regretted that [REDACTED] family circumstances prevented him from completing the course. He was one of the more active minds in the group. We hope that his overseas assignment is not so impending as to prohibit his registration for that portion of the CI Operations Course which he needs in order to receive full credit.

3. Following is the list of Office of Security officers who attended the course:
